Timesheets

Timesheets are normally available 2 weeks in advance of the competition date except for Saturday timesheets which are available 8 days prior. Electronic timesheets are available on the members' kiosk(s) situated in the Club House.

Saturday Timesheet

1. A "draw" is done on the Friday 8 days prior to each Saturday competition to allow eligible members to book their place on the timesheet.

2. 2 draws are conducted: at 4:00pm and at 6:00pm.
3. Members attending either the 4:00pm or 6:00pm draw are to place their name on the corresponding numbered draw sheet for inclusion in that draw.
4. At the 4:00pm and 6:00pm draws numbers are drawn at random from a barrel. A Member whose number is called may then place "1 time" (4 players) on the timesheet.
5. Time slots available at the 4:00pm draw are displayed as grey-shaded areas on the time sheet. Unavailable times are displayed in blue. At the 6:00pm draw the unavailable time slots turn grey and the whole timesheet is available for use.

Club Committees

The Match Committee is responsible for the supervision and control of all matters pertaining to the arrangement and superintending of all contests, the allotment and revision of handicaps, the settlement of disputes, the selection of teams and supervising the Professional and Caddies. To assist the Match Committee members' attention is directed to the following:

- ◆ Familiarise yourself with all notices posted on the Notice Board.
- ◆ Take out a starting time at the earliest convenience and be ready to hit off (10 min. before time selected).
- ◆ All ties will be decided on count back. Last 18 holes, last 9 holes, last 6, last 3 then hole-by-hole unless otherwise noted under the event rules.
- ◆ All complaints or disputes regarding COMPETITIONS should be made to the Match Committee before finalisation of competition.
- ◆ Knock-out Events. All matches must be played ON or BEFORE the programmed date. Any dispute must be referred to the Match Committee for decision.
- ◆ Nominated Home Club. A player belonging to more than one golf club must nominate his Home Club.

Finance Committee

The Finance Committee is responsible for the supervision of financial matters in relation to the operation of the Club. The Financial Committee must ensure that the Club complies with all Laws that directly affect the financial viability of the Club, this is done with the aid of the General Manager and all other members of the Board.

Greens Committee

It is the duty of the Greens Committee to supervise the upkeep and improvement of the links and the Club's General Manager to control the services of the course staff. This Committee should bring forward any suggestions regarding course improvements for the consideration of the Board and if so authorised, see to the implementation of such ideas.

House Committee

The House Committee is responsible for the supervision of the Club House and all matters pertaining to it and for the control of Club House services. During the year various social evenings are held in the Club House. Members are requested to support these activities.

Slow Play and Course Etiquette

Slow Play

- * Be ready to hit or putt. Mark your card on the next tee whilst your playing partners are hitting. If the player who has the honour is not ready then one of the other players in the group may hit. Shorter hitters should hit when the group in front is out of range.
- * *KEEP UP WITH THE PLAYERS IN FRONT BUT DO NOT HIT UNTIL THEY ARE OUT OF RANGE.*
- * If a player's ball in your group is lost, hit your ball first, where practicable, then join search.
- * Do not dawdle in clubhouse or at the 10th tee when playing from both tees (five minutes should be plenty of time). When playing from the 10th tee and the 1st tee and the fairway is clear then the following group may assume the right to play through. The same applies for the 10th tee and fairway for players hitting off the 1st tee. Penalty for undue delay—two strokes.
- * Select your club while other players in the

group are hitting and walk briskly between shots.

- * If you have lost your place in the field, i.e. you have a full clear fairway in front, speed up your play and remember courteous players who have lost their place will call following players through if they cannot catch up to the field in front.
- * If necessary **2 practice swings only** should be adequate.
- * Be ready to hit off at least 10 minutes before your allotted time.
- * In Par and Stableford events *PICK UP* when all strokes have been taken.
- * *SLOW PLAY IS SELFISH PLAY*. Your position in the field is behind the group in front not in front of the group behind.

Etiquette

- * No one should move, talk or stand close to or directly behind the ball or the hole when a player is making a stroke.
- * Mobile phones should be turned off or set to the lowest possible ring volume or if available to vibrate mode.
- * Players who have golf carts should be aware of the noise they create and as such they should not be driven up to or past players during the course of their stroke making.
- * No players should hit until the players in front are out of range or are called upon to do so.
- * Study your line on the putting green while others are putting. You do not have to move about to do this, but you have to get to the position of your ball before the first player putts.
- * In interest of all, players should *PLAY WITHOUT DELAY*.
- * When the result of the hole has been determined

players should immediately leave the putting green. Players should leave the green in a direction so as not to interfere with play for the following group. Record your scores at the next tee while waiting to hit off, while your fellow players are putting out or **after** you hit off.

- * Players should not leave their bag, buggy or golf cart at or near the front of the green and if possible they should be left on or near the path to the next tee.
- * Players searching for a ball should call the following players through and should not continue their play until those players have passed and are out of range.
- * *A MAXIMUM OF 5 MINUTES IS ALLOWED TO SEARCH FOR A BALL.*
- * The lowest marker in each group is responsible to see that the rules and etiquette of Golf are strictly observed.

Course Care - Member Responsibility

Every member has a responsibility to help maintain the Course in prime condition. In order to help achieve the high standard of playing conditions the Greens Committee would like members to take note of the following:

- * Players should ensure that no damage is done to the putting green, and neither they nor their caddies damage the hole by standing too close to it or by handling the flagstick. The flagstick should be carefully replaced before the players leave the green.
- * "Through the Green" a player should ensure that any turf cut by him is replaced or repaired
- * Lob marks on the putting green should be repaired before a player leaves the green. Players should repair other lob marks left by other less considerate players if playing conditions permit.
- * All players should rake/repair the sand (at all times after making a shot) from a bunker.
- * Players are not permitted, at any time, to place their golf bag, drag their pull buggy or drive a golf cart onto or across any green.
- * Players with golf carts are required to maintain a minimum of 10 metres from all greens and bunkers or as noted by blue lines and cart direction signs on the fairway. Golf carts should always use the paths where provided, especially when past the cart signs/lines near greens and tees. In soft/wet conditions it is recommended that carts avoid the rough if possible.
- * Soft spiked golf shoes are preferred but not obligatory on our course.
- * Wide rubber non-inflatable buggy tyres are preferred but not obligatory on our course

By adhering to the previous points all members can help our course continue to be one of the premier courses in the region.

Any combination of Members and Lady Members,
two Members or two Lady Members as partners.

Handicap

In **all** competitions the individual handicap of all
players **must** be shown on the card under penalty
of disqualification.

Application of Handicaps to various Events.

a) Individual

Stroke: Full Handicap

Par & Double Par: Full Handicap

Stableford: Full Handicap

Eclectic: 1/2 Full Handicap on last day of play.

Match Play: Difference of handicaps.

b) Foursomes (Mixed or Non-Mixed)

1/2 of Aggregate Full Handicap

c) American Foursomes (Mixed or Non-Mixed)

1/2 of Aggregate Full Handicap

d) Aggregate

Full Handicap

e) Four Ball (Irish, 4 Person, "Normal")

Full Handicap for Members

f) Match Play

Reduce the full handicaps of all players by the
full handicap of the lowest handicap player or
players, who will then play off scratch. Each of the
other players is then allowed the full
difference of the resulting handicaps.

Example: Four players "A", "B", "C" and "D". A's
handicap is 10, B's handicap is 22, C's handicap is

15, and D's handicap is 11. "A" would play from scratch, "B" would play off 12 (full difference), "C" off 5 and "D" off 1. "D" would get a stroke at the hole indicated on the match play index for 1. "C" would get strokes indicated on the match play index 1 thru 5 and "B" would get strokes at holes indicated on the match play index 1 thru 12.

g) Ambrose

2 Person: 1/4 of aggregate total handicap.
Minimum of 6 drives taken from each player.

3 Person: 1/6 of aggregate total handicap.
Minimum of 4 drives taken from each player.

4 Person: 1/8 of aggregate total handicap.
Minimum of 3 drives taken from each player.

3 or 4 Person Dropout: Same as normal ambrose except that: all players hit drives. The best drive is chosen with the player who hit the best drive dropping out for the next shot. Continue with the same format until the ball is holed.

Ambrose Competition

The following conditions usually will apply:

- * Lowest marker is Team Captain.
- * Through the green, in a hazard or bunker, PLACED within one club length of selected ball, no nearer the hole. A ball may only be placed on the same type of playing surface eg. a ball in the rough must be placed in the rough.
- * On putting green PLACE ball within 1 putter head length of selected ball no nearer the hole.
- * Longest marker putts then others in sequence if score can be improved.
- * Each team must select a minimum of 3 tee shots from each member.

Double Par Competition

Similar to Par and Stableford except that a 4 pointer in Stableford only merits a single + in Par but gains a "double" + in Double Par events.

Similarly a "5 Stableford pointer" would equate to a "triple" + in a Double Par event.

4 Person Split Sixes

For the 1st 6 holes—take the **best** score

For the 2nd 6 holes—take the **2 best** scores

For the last 6 holes—take the **3 best** scores

4 Person Four Ball

Take the 2 best scores on each hole.

Multiplier

Played in pairs under a Stableford format. The Stableford points for each player are multiplied.

Eg: $3 \times 2 = 6$, $3 \times 0 = 0$.

Practice Areas

1. Creek Side of 18th Fairway

Practice from teeing area towards practice green only. No return of practice balls to be played. Practice onto the 18th green is **STRICTLY PROHIBITED**.

Practice onto the 18th fairway is permitted provided no Competitions are in progress. All players playing a Competition or a social round have right-of-way. Enquire at Pro Shop to find out if a competition is in progress.

2. Right Hand Side of 10th Fairway just forward of the 10th Tee except during competition.

Note: No practice is ever permitted around any green or fairway.

Order of Play

In Mixed Foursomes events male members must hit off the 1st Tee. On days when competitions arranged by the Match Committee are played, any member not taking part in the competition will only be permitted to hit off at the 1st Tee after all competitions have started.

In order to minimise congestion at the 1st Tee the

Match Committee, General Manager or Starter may, at their discretion, permit competitors to start from a different tee, otherwise starting from the 5th, 10th, 13th and 15th tees or “cutting in” is **STRICTLY FORBIDDEN**.

Saturday Competition

Play for Saturday Competitions will be from the 1st Tee. During Winter months or at other times as considered necessary, the 10th Tee may be also be utilised, at the discretion of the Board.

Lady Members—Tuesday and Friday

These days are Lady Member Competition days. Lady Members have the right of the course. On Fridays a Medley Stableford Competition is also played before and after the ladies competition (see p14). Social play is permitted before and after the competitions at the discretion of the Starter.
